

Information Security Policy and Procedures
Jepsen Enterprises, Inc.

Jepsen Enterprises, Inc. ("The Firm") takes careful measure to monitor information security in regards to clients, prospects and former clients.

The firm utilizes business continuity planning as well as day-to-day monitoring to insure client information stays in-house with system back-ups and that the information remains confidential and not disclosed to third parties without the verbal or written consent of our clients, customers, and prospects.

Les Jepsen
President/CEO
Jepsen Enterprises, Inc.
